

SercoEmbrace Employee Resource Group (ERG)

Serco celebrates the diversity and unique perspectives brought by our employees of various ethnic and cultural backgrounds and aims to be a more inclusive and equitable workplace where everyone has the tools they need to thrive and succeed. The SercoEmbrace Americas Employee Resource Group is committed to increasing cultural awareness and understanding of diversity issues across the organization to improve recruitment, retention, and career development for all, irrespective of race, color, ethnicity, culture, identity and background.

Our mission is to create safe spaces to discuss challenges and inequities and to work collectively with our allies to push forward transparency and action as Serco honors its commitment to build an inclusive workplace for all employees.

SercoEmbrace offers the following opportunities to its members:
